CBC EXHIBITOR OF THE DAY

NOV. 9 2022

2022 CBC COLOR BREED CONGRESS PRESENTED BY PINTO HORSE ASSOCIATION®

Angela De La Riva

Progress Over Perfection

Angela De La Riva from Iowa Falls, Iowa, is the day six Boot Barn Color Breed Congress Exhibitor of the Day.

From seeing the beauty of carriage horses, she wanted to have one of her own and start riding. When she and her family moved to Iowa, she was finally able to get one of her own horses. She has been riding for 17 years and has attended Color Breed Congress for 10.

When Angela is not riding Parker, her horse who loves peppermint horse treats, she enjoys being a 4-H leader and coaching her 4-H kids. She also enjoys anything outdoors, along with running.

Angela's favorite memory with Parker is when they placed in the Amateur English Showmanship Class at the 2022 Pinto World Championship. When asked why this was one of her favorite memories, she said, "he is only three years old, and it was rewarding to see him improve and place at the world show; I was so proud of him!"

Each day at the Color Breed Congress Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a $50 Boot Barn gift card.
