Hillary Miller

Just Do It!

Hillary Miller, from Altoona, Iowa, is the Boot Barn Exhibitor of the Day. She has been coming to Color Breed Congress for 12 years now.

Hillary has been riding for 25 years as her neighbor, who had a herd of horses, inspired her to jump on and start riding. Hillary and her horse Rey, enjoy competing in In-Hand Trail classes.

One of Hillary's favorite memories to this day is when she was showing a mare years ago, and while they were in the class, the mare shook her head and her bridle came off, but Hillary still won the class.

With Hillary's mom being her biggest motivator, she was asked what she would say to someone interested in riding horses, and she said, "just do it!" When Hilliary is not riding horses, she enjoys breeding equine and hanging out with her toddler.

Each day at the Color Breed Congress Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$50 Boot Barn gift card.
