PtHA OFFICE UPDATE

HELLO PINTO FAMILY,

As the seasons change and fall is here in Oklahoma, the PtHA is preparing for the PtHA Color Breed Congress Show November 4-12 in Tulsa, Oklahoma. We are looking forward to seeing each of you at Color Breed Congress and celebrating our year-end award winners.

I'd also like to congratulate the mid-year award winners for their hard work and dedication during the 2022 show season. Also, a big thank you to our charters, judges, weekend horse shows and everyone for putting on such a great show season this year.

Thanks to our executive committee, we are back on track from the recent years and 2022 was bigger and better than we could've hoped for. If you would like to serve on a committee for PtHA, please contact Kim Hall. We'd love to get you involved in everything going on at the PtHA. Also, if any youth would like to become directors for their state, contact Jenna Henson at jhenson@pinto.org. We want everyone to be involved and a part of the PtHA family.

Be on the lookout for the 2022 Winter Issue of the Pinto Horse magazine to see all of our congress champions and high point winners. Thank you to everyone for such a great show. Speaking of shows, our 2023 Pinto World Championship Show is set for June 12-24. Our convention is set for March 16-18 in Tulsa, Oklahoma. We can't wait to see everyone there!

INTRODUCING

EMMA RICH

PtHAYO

President

Meet the New Youth President

Emma Rich, of Magnolia, Arkansas, took the reins of PtHAYO President in late July. Rich is currently a sophomore at Southern Arkansas University where she is pursuing a career in veterinary medicine. Ever since she was a little girl, Rich dreamed of riding horses.

For years Rich begged her mom to buy her a horse, and when she was 12 years old, her mom finally gave in to her wishes, she explained. Rich's mom got in touch with the local horse trainer, Alan Shaw, who showed in APHA and PtHA shows, Rich added. Rich quickly learned about the horse show world and was eager to attend the Pinto World Show, she said.

"I fell in love with the people and the atmosphere," Rich said.

Rich shows in the all-around events, showcasing in both English and western disciplines, she explained. Although she does have a special memory from a class, Rich added.

"My favorite class ever to compete in is trail, and this year at Pinto World Show I won the class for the first time, and it was very rewarding as it felt like all of my hard work paid off," Rich said.

Rich's horse's name is Quill and she is a mare who loves attention, Rich said. Quill belongs to Rich's trainer and she is very blessed to be able to ride a talented mare like her, Rich explained.

"I know I am biased, but I

think she is the prettiest horse in the world," Rich said.

Rich highlighted her relationship with her horse is important and has grown to develop over time, Rich said.

"It 100% goes both ways, you have to build a trust with her and when you do it is hard to break," Rich said.

Showing with PtHA has greatly influenced Rich's career choice of pursuing veterinary medicine, she said.

"We were coming back from Color Breed Congress a few years ago when I got the call from my trainer one of the horses got its leg stuck over the divider in the trailer on the way home," Rich said. "Back in Magnolia we had to get her stitched up and it helped me chose my future career from this experience."

Rich was previously PtHA-
YO Secretary and decided to run for President this year, she said.

"I felt I would be a good fit to get more members involved and see the atmosphere that drew me in and I fell in love with," Rich said.

Rich wants to do her part in getting more information about PtHA out to potential members, she said.

"I also want to talk to more parents as I know it took some convincing for my mom to come

around about letting me show horses," Rich said.

Rich plans on attending the Color Breed Congress show in Tulsa, Oklahoma this fall and more local PtHA shows happening in Oklahoma over the upcoming year. Be sure to look for her over the next year, she very well could be at your next Pinto show!

Science + Love. Helping Horses Thrive.

Our Purina PhD Nutritionists tackle problems using science. And our love of horses keeps us at it until we get it right. Even with our most established feeds, we keep innovating. Even when it takes years of research, we don't stop until it's right. We're dedicated to the scientific method, but it can't capture the feeling of seeing a horse reach their full potential. It takes science and love to help your horse live their best life.
