# PtHA OFFICE UPDATE

Greetings Pinto Family,

We just wrapped up convention last month right here in Oklahoma City. It was a fun time welcoming everyone back to the city our staff members call home. In the general meeting all ideas from committee meetings came forward, and it was exciting to hear great ideas to move our association forward. I would like to say thank you who contributed to our Pinto Heritage Foundation auction that Friday evening as all the proceeds are going to help support our scholarship program.

I would also like to congratulate William Sparr from Iowa as he was elected to be apart of the executive committee alongside the newest members: Nell Tekampe, Annette Pitcher, Laura Fowler, Kathy Thomas, and Don McGee. A huge thank you to Nell Tekampe for being a strong leader this past year as serving as our President 2023-2024.

If you have not already, get your registration and membership documents in for the upcoming show season. We are always encouraging members to support their local charters and seeing what Pinto shows are happening near you. The calendar on our website indicates all of the upcoming horse happening each month.

Hey Youth!

It's your turn. Youth director and officer applications are now open for this year. You must be 13 years of age or older and we encourage you to apply as this is a great way to promote and get involved with PtHA.

The 2024 Pinto World Championship is just a few months away. We are having our youth weekend June 8th and 9th featuring a horse judging and speech competition open to all youth, FFA and 4-H students. The speech contest will take place Saturday, Jun 8th at 9 am in the Pavilion. The horse judging competition will take place Sunday, June 9th at the Built Ford Truck Arena. Our professional horseman seminar will also take place that day for a walk through of the patterns. We will be hosting classes for the Yellow Rose Futurity with WCHA. Pinto World Championship June 8-22, 2024 in Tulsa, Oklahoma.

I would like to start by saying a big thank you to PtHA for the support and direction during my term as President. Thank you to the membership for your well wishes and support and know that your enthusiasm for this association and your sportsmanship continues to inspire me. To the pinto office and staff, especially Darrell and Kim, thank you for your help and direction as I navigated this position. Knowing you were always at the end of a phone call, text, or email to answer my questions was my lifeline. To the executive committee, both during the year and during the convention, thank you for always looking ahead for me, suggesting ways I could improve and giving me the direction, guidance and feedback that kept me pointed in the right direction.

As I reflect on the past year as President, I witnessed the unforeseen devastation of our World Show being cut short and the challenge of picking up the pieces and finding our way back to safety. I found comfort knowing that God was with us and things could have been much worse. I saw our pinto family pull together, help, and comfort each other. They did whatever they could to make the best of a hard situation. I felt blessed to be part of the leadership that was able to make difficult decisions and balance the needs and requests of our membership with the financial stability of the association. Always leading with fairness and responsibility. I saw an association prove that when things get tough, we pull together and we get stronger.

I saw a year of new members, exhibitors, and horses as our numbers continue to grow. I also saw many familiar faces with decades of membership under their belt continue to support and be part of this extended family. I witnessed the association listen to the feedback of the members and make changes that support the needs of our horses and exhibitors. Overall, it was a challenging year, but we continued to grow and thrive as an association.

Our future looks bright, and I wish our new President the best of luck. She brings decades of experience and knowledge to the table, and I know she will continue to lead the association in a positive direction.

Sincerely  
Nell Tekampe

# 2024 PtHA CONVENTION

The 2024 PtHA Convention took place at the Embassy Suites in Oklahoma City, Oklahoma February 29th-March 2nd. This time is dedicated to honoring the award winners of 2023, inducting those nominated into the PtHA Hall of Fame, and discussing the future years to come for our association. The PtHA Board of Directors, Executive Committee, past PtHA Presidents, judges and members gathered in meetings with the opportunity to present new ideas and reflect on the past year.

This past year Nell Tekampe served as the PtHA president. During her time, we saw her lead with grace and diligent attention to serving our members. The new PtHA president, Annette Pitcher, was sworn in during the general meeting on Saturday. She acknowledged this honor as she has been involved with PtHA several years.

Darrell Bilke was excited to welcome everyone to Oklahoma City for convention. The meetings that took place at convention include general membership, board of directors meeting, committee meetings, show management seminar, field representative seminar, and mini/pony measurement seminar. On Friday, March 1st Shorty's Caboy Hattery invited PtHA members to their headquarters in the Stockyards for an office tour. That same afternoon the PtHA office was open to all members to visit.

The PtHA President's Reception took place Thursday, February 29th to conclude the first day of convention. The Hall of Fame Banquet took place Friday evening of March 1st and began with the Pinto Heritage Foundation auction. All proceeds went to the Pinto Heritage Foundation where it will be distributed in multiple aspects of the association. The Hall of Fame inductees and Past President's Boot Award recipients were recognized and awarded for all their dedication and hardwork over the years.

The awards presentation took place Saturday, March 2nd as members were acknowledged for receiving Pinto of the Year, Advanced Awards, Zone High Points and Year-End High Point awards. Awards given include Gist Silversmith belt buckles, medallions, plaques, Tioga Territory jacket and vest certificates, Circle L Saddles, Perris Leather Halter headstalls and Shorty's 100X hat certificates. We greatly appreciate our corporate partners and all they contribute to our awards.

The Tulsa Regional Chamber was recognized with the Bronze Boot Award for their long standing partnership with PtHA. Matt Stockman was present to accept this award on behalf of the Tulsa Regional Chamber and was applauded by all members present.

We had a great 2024 Convention in Oklahoma City where members caught up with friends and gathered new ideas going into the coming years. PtHA looks to continue hosting convention in Oklahoma City for the next few years. Be sure to check out our PtHA Convention Facebook Album on our page capturing every day while we were there!

## Science + Love. Helping Horses Thrive.

Our Purina PhD Nutritionists tackle problems using science. And our love of horses keeps us at it until we get it right. Even with our most established feeds, we keep innovating. Even when it takes years of research, we don't stop until it's right. We're dedicated to the scientific method, but it can't capture the feeling of seeing a horse reach their full potential. It takes science and love to help your horse live their best life.
