Hope everyone is having a good spring!

The show season has started and now are looking forward to summer!

In February we gathered in Oklahoma City for our convention and members traveled from all over to attend. We would like to thank everyone who came, participated in the meetings and supported our Pinto Heritage Foundation through the silent and live auction. Throughout the convention PtHA staff, members and board members came together for committee meetings, inducted people and equine into the Hall of Fame, presented the 2025 mid year and year end award winners and much more. To learn more about the the 2026 convention please read our convention recap on page 29.

This spring magazine issue features the year-end award winners, zone high point winners and more. This issue is dedicated to reflecting on the previous year and the accomplishments by our members. Congratulations everyone!

The 2026 Pinto World Championship is June 6-20, 2026 in Tulsa, Oklahoma is approaching quickly. # PtHA OFFICE UPDATE

Greetings Pinto Family,

If you attended Convention here in Oklahoma City it was great seeing you. It was a great time to gather, reflect on the previous year and look forward to new things coming this year. The Pinto Heritage Foundation silent and live auction raised over \$23,000 during convention and I would like to say thank you to everyone who donated or purchased items to support our programs.

I would like to congratulate Kaylee Clagett from Ohio for being elected to join the PtHA executive committee alongside: Kathy Thomas, Laura Fowler, Don McGee, Karen Clark and William Sparr. Kathy Thomas served as our president this past year and I would like to say thank you to her for all of her hard work to support our association.

EPinto is live and running. If you haven't already, check out our new membership portal that you can find online.

Youth office and director applications are now open for this summer. You must be 13 years of age or older to apply and we encourage you to apply as this is a great way to be involved.

If you haven't already renewed your membership for this year now is the time. The 2026 Pinto World Championship and summer show season will be here before you know it!

# 2026 PTHA CONVENTION

PINTO HORSE  
ASSOCIATION

OPEN SOLID HIGH POINT  
SUSAN NYSTROM

The 2026 PtHA convention took place February 26th-February 28th in Oklahoma City, Oklahoma at the Embassy Suites hotel. Members started arriving in Oklahoma City the afternoon of Wednesday, February 25th and the office was open and Shorty's Caboy Hattery hosted a tour of their facility. Over the course of 3 days PtHA members gathered for meetings, a President's reception, presented the 2025 mid year and year-end award winners, inducted those nominated into the PtHA Hall of Fame, hosted an auction to support the Pinto Heritage Foundation and more!

Over the past year Kathy Thomas served as our PtHA president. Kathy has been active with PtHA for years and attended the 2025 Pinto World Championship and Color Breed Congress. Kathy truly represents the heart of PtHA. Don Mcgee was sworn in as the 2026-2027 PtHA president during the general membership meeting on the final day of convention. Don is from Oklahoma and is excited for all to come this upcoming year.

During convention some of the meetings that took place include general membership, board of directors meeting, committee meetings, long range planning, a show membership seminar, field representative seminar and a mini/pony measurement seminar. Thursday morning officially started convention with meetings and the day ended with the President's reception dinner. Friday morning the day started with meetings and round table discussions. The show measurement seminar took place in the afternoon. Friday evening proceeded with a cocktail hour followed by our banquet dinner. The live auction consisting of items donated by members and sponsors brought over \$23,000 dollars all going to support programs within the Pinto Heritage Foundation. Once the auction concluded, the Hall of Fame inductees were honored and awarded.

Full Moon Chuckwagon was selected as the recipient of the Past President's Bronze Boot Award at the Hall of Fame Banquet.

The general membership meeting took place on Saturday morning, February 28th where committee chairs shared all of the committee reports. Don McGee was inducted as the 2026-2027 PtHA president. Once the meeting was concluded the awards presentation began recognizing those receiving Pinto of the Year, Advanced Awards, Zone High Points, and Year-End High Point Awards. PtHA awards given out included Gist Silversmith belt buckles, medallions, plaques, Circle L Saddles, Perris Leather Halter headstalls, Shorty's 100x hat certificates, and Kensington Protective Products items.

The 2026 PtHA convention concluded after the field representative and measurement seminar on Saturday afternoon. Convention was a successful event and we are already planning for next year! We would like to acknowledge our staff for all of their hard work and the support from our sponsors.

If you would like to view the moments captured over the course of Convention, check out our Facebook Convention album.

## Reflections from our 2025-2026 President, Kathy Thomas

As I reflect on the past year as the PtHA president, I want to give another huge shoutout to our amazing staff:

Darrell, you are the epitome of a great leader! You lead with calm, informed grace and empathy, no matter what is going on. You allow the staff you have gathered for our association to do their jobs to the best of their abilities. Being able to do that takes courage and faith, none of which are misplaced.

Kim, our “person who knows everything”! We all rely on you for almost everything, and you always step up to the challenge, no matter what it is! We are so lucky to have you.

Dan, there are not enough words to say to thank you for all the new data systems you have built from the ground up to put Pinto in the forefront of technology! Thank you hardly seems like enough.

Becca, our accounting genius, to me, it takes a special kind of person to work with numbers all day! I have loved hearing about your kids and getting to know you. Thank you for being our numbers guru.

Emily, our fabulous registration expert, answering people’s questions of qualifying white, all the ins and outs of every detail of registering so many types of horses, from basically the world, takes a rare sense of patience and attention to detail! The awards PtHA gives to our

exhibitors and horses are so beautiful, and they are that way because of your hard work. Thank you for all your expertise and always being so gracious;

Caitlyn, what can I say?! Our shows are what sustains us. Without them our members probably wouldn’t be registering as many horses with us as they do. Your expertise in making sure the shows have what they need to succeed and making sure the exhibitors and horses receive the points they have earned is invaluable to every member of PtHA! Thank you for everything that you do for the members; Anna, one of the sweetest and funniest people I have ever had the opportunity to meet! Our On the Trail and OCAP programs have flourished under your hard work. Thank you for all that you do helping wherever you are needed; Jenna, Our fantastic marketing and communications extraordinaire! Your thinking “outside the box” approach, artistic photography and graphic design work make our association noticeable no matter where it is seen or heard. Thank you for always being so gracious with me and for making me sound articulate when I don’t think I am; and last but most certainly, not least;

Miranda, you have done such a fantastic job with the Heritage Foundation! Your wonderful fund-raising ideas are so much fun, and the members love participating in them and raising money for all our great scholarships. The foundation is so lucky to have you!

To my fellow members of the Executive Committee and Past Presidents: working with you all making hard but well-informed decisions for the association, is something that I am so proud to have had the honor to do. You all are wise beyond most people’s comprehension, and you give countless hours to make our association the best association ever! Again, thank you hardly seems like enough. A special thank you to Mahlon Bauman for always helping me with procedure graciously and kindly, you are my hero! To all of you who told me I was doing a good job, thank you from the bottom of my heart, I cannot express in words how much each of your comments meant to me.

Lastly, to our newly sworn in president, Don McGee, you are going to do an amazing job. Your faith and sound business sense are going to make your year exceptional!

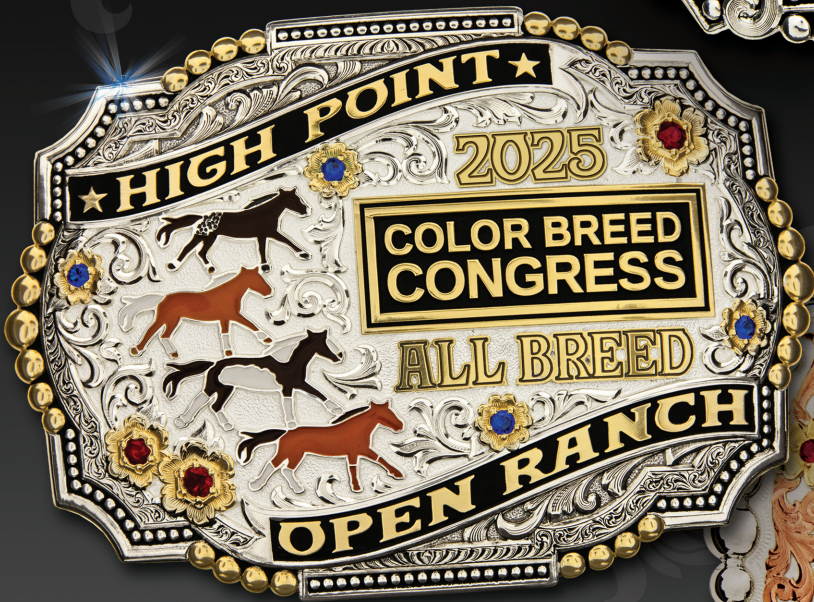

Thank you all for an outstanding year and I can’t wait to see what 2026-2027 brings to our fantastic Pinto Nation!!

# ON THE TRAIL

## WHAT IS ON THE TRAIL?

A recreational Pinto Program designed to promote members and their Pinto, who ride, drive, or work in-hand for recreation or leisure purposes, by providing a special recognition program for their achievements.

Enrollment in the On the Trail program is from January 1 to the following December 31. Must be renewed annually.

## HOW TO EARN REWARDS?

- Time may be recorded for any non-show or competitive related activity in which a member participates by riding, driving or working in-hand.
- This may include time spent while riding, driving or working in-hand in a group, but not limited to, participating in a parade, a drill team, therapeutic riding or lessons.
- It may also include longeing, practicing in-hand patterns, attending walks and other in-hand activities.
- Actual time spent riding or driving shall be kept in full and one-half hour increments (i.e. 2.50 hours)
- Double hours may be earned while riding or driving in national and state parks, grasslands or historic areas, a recognized by the U.S. or Canadian National Parks Service.

When you submit your forms to PtHA, your Time Log is kept on your OTT Account and you should keep copies of your Time Log. As you trail to each new level with your Pinto, you will be sent a certificate for reaching the next level and the prize that coincides with that milestone.

## HOW TO GET STARTED?

Simply print out the On The Trail enrollment form and send it to the PtHA office with payment. Forms can be found at [www.pinto.org/showingandevents/programs/onthetrail](http://www.pinto.org/showingandevents/programs/onthetrail). For more information, call the PtHA office at 405-491-0111.

SUPPLEMENT

A LIVE & ACTIVE  
PROBIOTIC

A healthy microbiome is critical to gut health and your horse's wellbeing and performance.

At Purina, we've developed Systemiq™ probiotic supplement to support your horse in a whole new way.

**Systemiq™ supplement helps promote normal recovery after exercise and occasional gastrointestinal stress using our live and active probiotic.**

Our probiotic strain is research-proven to survive manufacturing and the acidic stomach, so the little things can make a big difference.
