2020 Pinto World Championship & Color Breed Congress / Photo by Merain Barnes
Hello again! As most of you know by now, I am new to the PtHA® team. I enjoyed getting to dive into my first show and meet all the wonderful people I came across and hear their stories. I am looking forward to meeting more of you at each show and in turn, sharing more stories with you all!

My intern [Lauren] and I had a blast at the Pinto World Championship and Color Breed Congress®. I enjoyed welcoming all the exhibitors and learning their stories.

This year, because of the combined shows, we will have a Special Edition Results Magazine that will contain all the class results of the Pinto World Championship show and Color Breed Congress. This magazine will still contain all the highpoint awards.

The New Year brings in new changes. We appreciate any feedback through Facebook or by email. We look forward to watching the association grow and improve for many years to come.

Hope 2021 is a wonderful year for everyone!

Merain Barnes

This year has been unusual and due to Covid-19, we will be canceling our judges seminar and annual convention. We will also be keeping all committees the same for the 2021 year. But, I am looking forward to seeing everyone at the spring show season and the 2021 Pinto World Championship this summer. I am happy to see all the new registries, especially our equine babies. Don’t forget to download a registration form for your equine for the 2021 year on our website at www.pinto.org.

Next, I want to announce that the Color Breed Congress and Pinto World Championship show was a huge success. Congratulations to all participants and award winners. Thank you to everyone who supported our show, I truly appreciate the long hours and hard work that each and every one of you put in. More importantly, thank you to all our members for your support.

From our colored equines to our long ear friends, thank you for being apart of the Pinto Family. Be on the lookout on our website for new classes, rules, membership forms, registration and more at www.pinto.org. We have will be providing everything online this year. I want to recognize our Pinto Heritage Foundation and how strong it has been during these tough times. We’ve been able to support our Pinto Family and nothing is more encouraging to me then be able to do that. Please let us know your questions, comments and concerns. We want to hear from you. Together we are family and will continue to move forward.

I’m excited to see what the New Year will bring. I would like to wish everyone a healthy, safe and successful 2021!

Hello Pinto Family,

I hope this letter finds you and your family in good health and good PtHA spirit. 2020 has been quite a ride, calling for patience, flexibility, determination and adaptability. This letter from me fits the same pattern. There is no need for another introduction presented a year ago, just an update that my role as your elected Pinto President has now been extended for the 2021 year.

For the horse community in general, the first half of the year was pretty tough for everyone as the entire industry was essentially put on hold due to the ongoing COVID-19 pandemic. Pretty much everything was cancelled in the spring and early summer. On a positive note, hidden within the challenges and changes experienced, we have also been presented with opportunities. It provided us to slow down, spend quality time with our loved ones, allow extra practice on our horses and get creative on how to make things happen successfully, as well as safe. Our passion will not be crushed.

On the financial end, this was a busy time as Pinto leaders spent endless hours with many community partners as well as the state and local governments to help make plans on how to come out of a COVID shutdown safely and generate the means to exist. While we have to deal with this over the months ahead, we have a strong foundation on how to function safely during the pandemic and have built good relationships and procedures to “make the show go on”. This was displayed with all the hard work from PtHA staff and volunteers that were able to offer the 2020 Pinto World Show in conjunction with the Congress in November.

Rest assured that all parts of PtHA will continue to work diligently to organize, plan and accomplish our goals for existing and new members to perform in the “new normal” that life has presented us with. As a team we can all take steps to ensure the future of our Pinto Association while playing a part in participating and providing a healthier and more prosperous 2021.

Sincerely,

Kevin Woodford
PtHA® President
Due to the impacts of COVID-19, the PtHA Executive Committee has voted to alter the year end awards for the 2020 Season. Prizes will be proportionately determined by the number of shows and income generated during the show year.

The award will be calculated by ROM points earned at PtHA® approved shows from Jan.1 - Dec. 31. The award will be given to the highest point earner in three divisions: Youth 18 & Under, Amateur 19 & Over and Open Pinto. For the youth and amateur division, the award will be calculated for units only. A unit is defined by the PtHA® rulebook as one youth/one Pinto or one amateur/one Pinto. Ties within a division will be broken as follows: the first tie will be awarded to the unit that earned points in the greatest number of PtHA approved local shows, the second tie will be awarded to the unit that earned points in the greatest number of PtHA ROM-pointed classes, subsequent ties will be awarded to the unit with the most first place point-earning wins, second place point-earning wins, etc.

To be eligible:
Exhibitor must be a member in good standing with PtHA®. The Pinto must be registered in PtHA’s registry.

The following will not count toward the high point award:
Points earned at the Pinto World Championship® Show. Points earned from the AVERAGE card at a Jubilee show or Color Breed Congress® Show. Points earned from a Novice, costume, leadline, produce of dam, get of sire, grand and reserve halter class or any other non-point earning class.

Forfeited prizes will become property of PtHA and/or GIST. Awards are not redeemable for cash.

YEAR END AWARDS

The award:
• Year End Awards - Color Registry (Open, Amateur & Youth)
  1st place: Shorty’s Caboy Hattery 100X Hat & Gist Silversmiths Belt Buckle
  2nd place: Show Headstall

YOUTH LEADERSHIP

2020-2021 YOUTH OFFICERS

**PRESIDENT**

Jordan Melegari   
WEST SALEM, OHIO

I am 18 years old. I am active in FFA and have been an officer for three years. Though I have been around horses my entire life, I have been a PtHA member for five years. Through PtHA, I have met so many amazing people in and out of my state, and I would love to meet more! Last year I was a national youth director and the Ohio charter’s Youth Club vice president. This year I am president. Two years ago, I advocated for the addition of Solid Pinto classes to the Ohio charter and was able to get enough commitment for it to be added to the showbill.

**VICE PRESIDENT**

Paige Bunn   
NORTH BEND, NEBRASKA

This will be my fifth year showing in the Pinto organization. I am hardworking and can work through anything that comes my way. I can bring new ideas to the table and new ways to look at old topics. I am dedicated to whatever I join and make sure to finish through to the end on what I do. Last year when my town flooded, I went and helped as many people as I could. In my 4-H Club, I help with our yearly volunteer projects which include picking up trash along a highway, making tie blankets and door decorations for the elderly at a local nursing home, helping at a local food pantry and participating in Operation Christmas Child.

**SCHOLARSHIP DEADLINE**

The Pinto Scholarship deadline is January 15, 2021. Download scholarship forms from pinto.org and mail them to the office. Forms must be postmarked by January 15.
Miley Phillips   ADRIAN, MICHIGAN

I first began to love horses when my dad took me to ride a little brown pony named CHOCOLATE. After I outgrew him, my parents purchased IMA TRUE COWBOY. I showed Halter and the All-Around Walk/Trot classes. I finished 10th in the nation in Youth Geldings. My dad later found a PtHA registered horse named GOOD N’ ZIPPED. Our favorite events are Showmanship, Trail and Horsemanship. We love the challenges that the patterns give us, and the patterns bring us to a whole new level of competition. I have served several leadership roles in my organizations, including treasurer of FFA and secretary of my 4-H Club.

Julius Culwell   LOUISVILLE, MISSISSIPPI

I have won breed association points and high points in PtHA, PHBA, ApHC and AQHA. I have held local and national youth officer positions. I am currently the president for our local PtHA and PHBA youth charters. My goal as president is to help promote and build our local PtHA charter in Mississippi. I hope I can do the same helping to promote PtHA. My first registered horse that my parents bought me was a Pinto, and we have owned a total of five registered PtHA horses. I am a lifetime youth member. Out of all my experiences with horse-related activities, one of my favorite activities is Color Breed Congress. I want to promote all the opportunities PtHA has for youth.

Hannah Brock   NORTH FORT MYERS, FLORIDA

I have had a passion for riding and being around horses for all fifteen years of my life. My 4-H Club has taught me how to hold offices and be a leader as well as contribute to the larger community. The offices I have held include secretary for two years, reporter for two years and vice president for one year. I am currently president. In January I received Pinto Youth Wrangler of the Month and Junior Youth Zone 9 High Point. I was also a two-time world champion at Pinto World Championship Show last summer. I love meeting new people through this community.
2020-2021 YOUTH DIRECTORS

IOWA

Kendra Husman  QUIMBY, IOWA

I am 16 years old, and this fall I will be a senior in high school. I am from a small town in northwest Iowa, and I show a big, goofy gelding in the Western and Hunt Seat All-Around. My favorite part about showing PtHA is meeting new people, seeing everyone’s hard work pay off and spending time with my tight-knit horse family. I have multiple experiences being an officer through many years in 4-H, FFA and Iowa Pinto Youth Association. I love having the opportunity to share my passion for youth, horses and this amazing organization.

MISSISSIPPI

Robert Culwell  LOUISVILLE, MISSISSIPPI

My family and I have been involved with PtHA for several years. My first horse was a registered Pinto horse. We first began with the association doing the OCAP program. I was so proud to get the end of the year award certificates after our first year. From there, we began showing at PtHA shows and got more of our horses registered with the association, and even assisted with getting a chapter started within our state. My family has enjoyed competing in the OCAP program and showing our Pintos at PtHA recognized shows, along with participating in national and local youth activities. As a youth director I can spread the word about all the good experiences my family has had with PtHA.

OHIO

Madison Wade  DALTON, OHIO

I am a seventh grade student. I attend the Ohio Virtual Academy online school. I am a member of the Jr. National Honor Society, 4-H Club, and Pinto, Appaloosa and Quarter Horse Associations. I swim for the Orrville Otters swim team. I have been showing horses since I was seven. My favorite memories are spending weekends at shows with my family. We like to meet new people who share our love of horses. When I am not showing, I like boating, swimming and playing golf with my dad. In 2019, I was the secretary for the Ohio Pinto Youth Club. This year I was elected as the 2020 Ohio Pinto Sweetheart. I am excited to represent my breed at fairs and shows all over.

NOVEMBER 5-13, 2021
PtHA®, ABRA®, PHBA® Classes, All Breed Ranch and Mule & Donkey Congress
Due to Covid-19, this year’s 2020 Pinto World Show and Color Breed Congress, hosted annually by Pinto Horse Association of America, were combined into one show held in Tulsa, Oklahoma.

Darrell Bilke, Pinto Horse Associations Executive Vice President and Chief Operating Officer, comments on the size of the show.

“The combination of the Pinto World Show and Color Breed Congress was in the top three largest shows we’ve ever produced,” said Bilke.

Pinto World Show and Color Breed Congress attracted more than 1,857 exhibitors from 40 U.S. states. The live stream of the show totaled in 92,000 streams with 62,000 online viewers.

The show had 992 classes and 35,000 entries judged with a combination of 2,200 horses, miniature horses, ponies, mules, donkeys and miniature donkeys through the gate.

Bilke noted the challenges of the pandemic but he was pleased with the shows outcome.

“It was a great horse show,” said Bilke. “I felt very successful in not only the turnout of the show, but also the participation from our exhibitors during this difficult time. I am greatly appreciative of them.”

$350,000 in prizes were awarded during the 2020 combined show.

Next year’s Pinto World Show will run from June 14 to June 26, 2021, at the Tulsa Expo.

“This show is huge, it’s so cool competing with a lot of exhibitors,” Burosh said. “It’s very fancy and I love seeing events that I’ve never seen before.” - Abigail Burosh, Highland Indiana.

“I love seeing all my mule friends at these shows,” Moody said. “I just like to be happy with all our rides, theirs always room for improvement.”
- Carrie Moody, Muskogee, Oklahoma.

“I love that everyone here shares the same passion of showing horses and just having a good time,” McCracken said. “Being able to see my friends from across the country and hang out in the barns is just wonderful.”
- Lindsey McCracken, Houston, Texas.

“I love the Pinto World Show and the amazing staff,” Marzke said. “I am so happy they were able to make this show happen with how crazy this year has been.” - Samantha Marzke, Herron, Indiana.

To
ing it once turned into a new lifestyle for these sisters. Emma and Abby Hanson have been showing miniature horses for five years.

Emma and Abby’s dad, John Hanson, said that they have been obsessed with horses in general since they were three-years-old. Watching the spirit movie on repeat and starting a Breyer horse collection fueled the desire. Eventually this love for horses would come to life.

“Abby and Emma started off showing english, western and all-around events,” John Hanson said. “They loved that so much and eventually we switched to miniature horses.”

Emma, Abby’s older sister began showing horses first. Abby followed in her footsteps shortly behind. “Being in the right place at the right time is how we got introduced to miniature horse showing,” Emma Hanson said.

What first started out as riding horses to show they switched to miniature horses because they enjoyed it more.

“We tried it once just to see what it was and how different it was from showing horses,” Abby Hanson said. “We fell in love with it and got miniature horses of our own.”

Located in Monticello, Minnesota the Hanson sisters travel to show their miniature horses. One in particular stands out. Porkchop, a 22-year old miniature horse is a show stopping gelding. When Porkchop enters the arena almost everyone knows who he is.

“He has a little fan club wherever we go,” Abby Hanson said. “People love to see him and cheer him on when we are showing.”

Porkchop has a Facebook page with fans from all around the world. Porkchop currently has 2,000 likes on his Facebook page.

“It’s really cool to see how much people support him on his Facebook page,” Emma Hanson said. “He loves everybody, especially children.”

Abby is currently finishing up her senior year of high school. It has been challenging at times but having miniature horses has helped.

“It’s pretty cool to know that I’m different from other kids,” Abby Hanson said. “While most kids are in basketball or other school sports I show horses.”

Teachers often don’t understand how consuming horse shows are which can be frustrating at times, Abby Hanson said.
“It’s nice to be able to talk to Porkchop when stress comes up,” Abby Hanson said.

Showing miniature horses has become a family activity for the Hanson family, Emma said.

“That’s all we really do is travel to horse shows,” Abby Hanson said. “Sometimes it does get stressful when packing and when everyone is tired but, at the end of the day we sit down and have a great time together doing what we love.”

Showing in similar classes or the same classes can be difficult at times for the Hanson sisters.

“It can be both a great family bonding activity and also good competition between Abby and I,” Emma Hanson said. “We also love to push each other in order to become better and improve.”

Abby plans to finish her last year strong in the youth division with showing Porkchop. With college on the horizon Abby plans to still participate in local shows.

Porkchop has almost swept his division of titles. With a year left of eligibility, 2021 will be a busy year for them.

At the conclusion of the 2020 Pinto World Show Abby Hanson and Porkchop won reserve Youth Mini/Pony In Hand & Drive. In addition to Abby’s first discipline rail class world show champion title.

Retirement will eventually happen for Porkchop, Abby Hanson said.

“When the time comes for Porkchop to retire he will likely be around little kids,” Abby Hanson said. “He loves to snuggle up to kids.”

“He has a little fan club wherever we go. People love to see him and cheer him on when we are showing.”

Being told you can’t continue traditional school, go to prom or hang out with your friends normally was something Madison Brown experienced. Her story will inspire others to overcome challenges that may stand in their way.

Growing up Madison Brown’s life was normal. She went to school, did competitive gymnastics and rode horses daily. In a snap everything changed.

“When I was 12-years-old I had my first seizure,” Madison Brown said. “I was at school when it happened and no one really knew what was going on, including myself.”

When Madison Brown’s family and her visited the doctor they ran a series of tests. At that moment the doctor diagnosed Brown with epilepsy. Later, Madison Brown also found out she had a heart condition.

“It was a change that we had to make as a family, it was upsetting but having horses helped me find a positive,” Madison Brown said.

Being told to leave school because it’s too much of a liability would be difficult for anyone to understand. Having to adjust to the new normal was a challenge, Madison Brown said. “It was hard not seeing my friends everyday and not being able to experience the high school things,” Madison Brown said. “It was hard not being able to do what other teenagers normally do.”

The addition of Zeke, a 3-year-old labradoodle, would help Madison Brown and her family with knowing when a seizure could happen. At just nine weeks old Zeke and Brown had an unbreakable connection with each other.

“I’m blessed to have Zeke, I don’t know what I would do without him,” Madison Brown said. “He will alert me to my seizures and when I have an increased heart rate by pawing me, which tells me that something isn’t right and I need to sit down.”

Madison Brown had ridden horses just for leisure before being diagnosed with Epilepsy. The neurologists suggested horse riding would help with her seizures and maintaining a good heart rate.

Madison Brown started taking lessons with Alyssa Osgood, owner and trainer of AO Performance Horses.

“I don’t think I was as educated as I needed to be on epilepsy in the beginning,” Osgood said.

Osgood had experience working with horses that had Hyperkalemic periodic paralysis (HYPP). Those horses helped Osgood be prepared for Madison Brown.

“God put this girl in my path,” Osgood said. Six years together, Brown and Osgood’s relationship is equivalent to sisters. Every morning Osgood picks up Brown to go to the horse barns for the day.

“She gets to spend the day with her horses, I try to make it as normal as possible because that’s what I would want someone to do for me,” Osgood said.

Figuring out how much Brown could handle and how much Osgood could push was the
biggest thing. Being understanding and flexible was very important for Osgood to find out.

“She’s lucky to have the trainer she does. Alyssa looks out for her each and every day,” Sherri Brown said. “She’s been with her through a lot of her seizures so she completely understands the importance of everything. As a mom it’s easy for me to let her be with Alyssa.”

“Alyssa is like a sister to me now, she’s family,” Brown said.

Madison Brown didn’t begin showing horses until after being diagnosed with epilepsy. She started off with a small amount of classes then slowly increased to more shows with more classes. Warrior, Brown’s horse, is used for ranch riding events. Madison Brown has been showing at the Pinto World Show for three years.

“Warrior is my heart, I do everything with him,” Madison Brown said. “I’ve had Warrior for eight years.” At the Pinto World Show that was held in November of 2020 Madison Brown added a new addition. She began competing in the all around events with her newest horse Curly. Curly has been a part of the Brown’s family for one year.

“We got very lucky finding Curly,” Sherri Brown said. “We tried for several years to find the perfect horse that was a clone of Warrior.”

Osgood was a big part of finding the perfect horse. Making sure the horse was a good fit for Madison Brown that would be smooth and consistent was important for Osgood to look for.

“I was able to ride him around the barn before making the final decision,” Madison Brown said.

While Madison Brown was showing at a different show she had a seizure mid-canter in a class. Curly stayed calm and proved he was a perfect fit for Madison Brown.

“I compete in the all-around events with Curly and it’s been so much fun,” Madison Brown said. “I’m very blessed to have him and I’m grateful Alyssa saw that he would be a good fit for me.”

“She’s always been looking out for her,” Sherri Brown said.

Osgood saw first hand how Madison Brown grew and transformed into a stronger person.

“It’s amazing how positive Madison stays through all of this,” Osgood said. “That’s what drives me everyday to help her. She always has such a good attitude about it, it truly is amazing.”

At horse shows Madison Brown isn’t able to warm up like other exhibitors are. When all the arenas have flash being used it limits when Brown can practice and ride at horse shows.

“Not being able to ride before my classes is difficult sometimes,”

Madison Brown said. “Some days your horse is feeling great and listening and other times they’re lazy and that’s hard.”

Going into each class without being able to watch ahead is something Madison Brown is used to doing.

“I don’t think there’s many kids that you come across that can sit in a corner with a jacket over their head until it’s their turn to go,” Osgood said. “That’s what is truly amazing about Madison.”

Madison Brown plans to return to the Pinto World Show next year stronger than ever. Her long term goal is to take home the all-around saddle and she’s excited to see what she accomplishes next year.

“I want this to inspire others to go out and just have fun,” Madison Brown said. “You can’t just stay home all day, life is too short. Putting the ability over disability is what I did.”
