## Please complete the W-9 form

The IRS requires the PthA® to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (1099-Miscellaneous for premium payback or high point awards). If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. NSBA and Cash Challenge Payout checks will not be issued until the PthA® has a W-9 on file for all persons receiving a check. Therefore, you are required to complete the W-9 with the appropriate certifications when submitting this entry. This will prevent any delay of receipt of your payout check. Your exhibitor packet will be held if this section of the form is not complete.

**The social security number listed on the W-9 should be that of the current owner/leasee or, in the case of multiple owners, one of the current owners listed on the Registration Certificate.**
