## Please complete the W-9 form if entered in an Open NSBA or Cash Challenge Classes.

The IRS requires the PtHA® to obtain the correct taxpayer indentification number (TIN) for persons for whom we have to file an information return (1099-Miscel laneous for premium payback). If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. NSBA and Cash Challenge Payout checks will not be issued until the PtHA® has a Won file for all persons receiving a check. Therefore, you are required to complete the W-9 with the appropriate certifications when submitting this entry. This will prevent any delay of receipt of your payout check. Your exhibitor packet will be held if this section of the form is not complete.

The social security number listed on the W-9 should be that of the current owner or, in the case of multiple owners, one of the current owners listed on the Registration Certificate.
