

Alea Albert

Alea Albert, from New Richmond, Wisconsin, is the first Exhibitor of the Day at the 2023 Color Breed Congress. This is Alea's second year showing at Color Breed Congress, and she says her favorite class by far is discipline rail. Today Alea is exhibiting Reba, more formally named, It's Swing Time. When asked about Reba's favorite treat she said, "She loves just about anything!" Alea stated showing horses is her favorite hobby and she would like to thank her parents, Tina Langness, and the entire "Team Tina" for being here to support her.
