

BOOT BARN®

Tyler Gary

CBC EXHIBITOR OF THE DAY

NOV. 6 2023

Tyler Gary, from Kaplan Louisiana, is our day four Boot Barn Color Breed Congress Exhibitor of the Day. He has been showing horses for five years and attending Color Breed Congress for four years with his horse, *Thompson*. Tyler and Thompson both enjoy competing in Western Pleasure classes. Thompson's favorite treats are peppermints and German horse muffins. Besides riding horses, Tyler enjoys playing video games, cleaning stalls, and playing with his dog, Honey.

A fun fact about Tyler is every year Color Breed Congress falls on his birthday. When asked his favorite Color Breed Congress memory, Tyler said, "Going out to a birthday dinner with his friends and family."

Tyler would like to thank his biggest supporters, his barn family at Stonecrest Performance Horses, for helping him grow in his equestrian abilities.

Congratulations Tyler!
