

THE COLOR REGISTRY

A PtHA® Color Registry Horse must have four square inches of cumulative white in the qualifying zone and underlying pink skin. May be registered with an approved outcross breed or be of undocumented parentage. The color requirement is modified with the size of the equine requiring only three square inches for ponies and two square inches for miniatures.

The PtHA® Color Registry does not accept any horses with Appaloosa characteristics, Mules or Donkeys.

For example, but not limited to: Pinto, Paint, Quarter Horse, Arabian, Saddlebred, Thoroughbred, Warmblood, Draft, etc. For full outcross list, see rulebook.
