**Required Health Documents**
To comply with Oklahoma state animal health regulations and to ensure the health of your Pinto, the following requirements will be strictly enforced for all equine at the Pinto World Championship.

An inspector will review all Coggins test and health papers before any equine is admitted onto the horseshow grounds. Any equine arriving without a negative Coggins test and Health Papers will be quarantined until released by the show veterinarian. All tests will be at the owner’s expense.

Attire
All attendants must be neatly and suitably attired for a World Championship, long sleeves or a lab coat and appropriate footwear are required. Shorts, tank tops, sandals, etc., are not considered proper. Hats are optional, but ball caps are not permitted. PtHA reserves the right to reschedule any published breaks as necessary. Additional breaks will be announced as deemed proper according to the progression of the show.

Class Placings

Ribbons for individual placings will be available for pick up in the Hospitality Room in the Oklahoma Ford Dealers Barn.

Results of classes are considered final upon receipt of the judge’s cards, unless an error in tabulation has occurred. PtHA reserves the right to correct obvious errors on judges’ cards when detected.

Commercial Exhibits/Vendors
If an individual wishes to sell, display, or advertise tack, clothing, jewelry, furniture or any miscellaneous merchandise, a signed vendor contract must be on file with PtHA. In addition, the merchandise must be sold in designated vendor areas only. No items may be displayed or sold out of the barns or parking lots. Anyone found in violation of this rule will be issued a written warning on the first offense. The second and all subsequent offenses will yield a $500 fine each.

Disqualification
Abuse — Any Pinto that shows evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area will be considered to be abused and may be excused from the arena.

Lameness — A Pinto will be excused from the arena if a simple majority of judges disqualify the entry due to lameness.

Loose Pinto — Any equine that becomes separated from its handler, rider or driver and cannot be caught by the original exhibitor or is beyond the exhibitors control may be disqualified and excused from the arena.

Drug Declaration
A Pinto that has received medication that contains a prohibited substance may be shown if all requirements listed in PtHA rule G16 are met and a drug declaration form has been completed and returned to the Show Office.

Drug Testing
See PtHA rule G16. Drug Testing at the Pinto World Championship will be at random. Cooperation is mandatory.

Electronic Devices
Any exhibitor using an electronic device in the show arena will be immediately disqualified. (Exception: Reasonable Accommodation certificate has been issued.)

All bits, tack, appointments and attire shall be checked by the equipment judge prior to entering the arena. Any equipment considered to be inhumane or illegal by the official equipment judge must be removed or entry into the arena will be denied. The equipment judge may disqualify an entry for the presence of blood on the horse. The equipment judge (s) may serve as an official alternate judge at the discretion of show management.

Exhibitors will receive a schedule of available practice times for some specific disciplines and age groups in their show packets. No longeing will be allowed in the arenas. Longeing areas will be designated and should be closely followed.

Health Requirements
No equine will be allowed on the show grounds without the following:
- 30 day Health Certificate * must be printed on paper
- Negative Coggins

Inhumane Treatment
No person shall treat any equine in an inhumane manner. This prohibition against inhumane treatment applies to PtHA members and non-members. Inhumane treatment shall include, but not be limited to, the prohibited conduct specified below. Inhumane treatment to horses other than Pintos or other animals used in competition is included in this prohibition as it indicates a general course of dealing with horses, which is unacceptable to PtHA.

1. For purposes of this rule, a person responsible for the care of an equine is...
also responsible for and may be disciplined for the inhumane conduct of their trainers, agents, representatives and employees. For violation of this rule, an individual may be disciplined, suspended, fined, denied PtHA privileges, disqualified, expelled from show grounds and/or expelled from PtHA.

2. Inhumane treatment of any horse or any other animal on show grounds is strictly prohibited. Treatment of any horse will be considered inhumane if a person, educated or experienced in accepted equine training techniques, would perceive the conduct of an individual to be inhumane.

3. For purposes of this rule, a fines and penalty system has been established based on the severity of the offense. All offenses below will be assigned a minimum level of offense (level 1 = mild; level 2 = moderate; level 3 = severe). Depending on the facts of a situation, the level of offense may be increased.

4. Warning or Show Ground Removal cards will be issued based on the frequency and level of offense.

5. Inhumane treatment includes, but is not limited to:

   e. tying or fastening any foreign object onto an equine, halter, bridle and/or saddle in order to de-sensitize the horse (min. level 2);
   f. use of training techniques or methods such as poling or striking an equine’s legs with objects (min. level 2);
   g. excessive spurring or whipping (min. level 1);
   h. excessive jerking of reins (min. level 1);
   i. excessive fencing (min. level 1);
   j. excessive spinning (defined as no more than eight (8) consecutive turns in either direction) (min. level 1);
   k. schooling over ramped oxers in reverse order (i.e., from highest to lowest instead of lowest to highest) (min. level 2);
   l. schooling using rails higher than four (4) feet (min. level 1);
   m. use of prohibited equipment, including, but not limited to: saw tooth bits; hackamores; hickories; or tack hackamores; whips used for showmanship; war bridles or like devices; riding in a curb bit without a curb strap; wire or solid metal curb straps no matter how padded; wire cavesson; wire or cable tie-downs; bumper bits; metal bosals (no matter how padded); chambons; headstalls made of metal (no matter how wrapped or padded), twisted rawhide, or rope may not be used on a horse’s head (3/8 inch rope may be used with a slip/gag bit); running martingales used with curb bits used without rein stops; draw reins attached between or around the front legs will not be allowed at PtHA-approved events (min. level 2);
   n. use of any item or appliance that restricts movement or circulation of the equine’s tail (min. level 3);
   o. exhibiting an equine which appears to be sullen, dull, lethargic, emaciated, drawn or overly tired (min. level 1);
   p. intentional or negligent treatment which results in any bleeding — intentional (min. level 3); negligent (min. level 1);
   q. applying excessive pressure on or excessively jerking of a halter lead shank or an allowed lip collar (min. level 2);
   r. Any other treatment or conduct deemed by a show official to be inhumane or abusive (min. level 1).

**Judges**

Four judges selected from and rotated within a panel of PtHA approved judges will judge all classes. In the event that a judge officially designated on the premium list is unable to perform their duties, or for any other reason deemed appropriate, the show committee reserves the right to substitute another PtHA judge or to change scheduled assignments.

**Judges Video Reviews**

Judges may video review runs before cards are submitted in scored classes that lack concurrence when major penalties, disqualifications, zero scores or “no scores” are involved or when a judge requests a review. Lack of concurrence concerning non-major penalties will not be reviewed and cannot be changed once submitted. No judge shall be required to change his/her score following a video review. Each judge’s decision is an individual call.

**Patterns**

All patterns (excluding Dressage and Western Dressage) will be printed in a pattern book. One pattern book will be available to each back number per horse. Dressage tests may be obtained from the United States Equestrian Federation and the Western Dressage Association of America.

It is the exhibitor’s responsibility to check the boards behind each arena before their class starts in case any changes and/or corrections to the pattern have occurred.

**Pony and Miniature Measurements**

All ponies, miniature horses, and mini mules/donkeys must be measured at the show by a designated PtHA staff member and must measure within their size classification.

Measurement officials will be located at the Identification Station. Owners must pick up show packets BEFORE taking a Pinto to be measured.

If a Pinto measures outside of its documented classification, it will be subject to recategorization and a revision of show entries and fees.

**Positive Identification**

All Pintos entered in the show must be positively identified at the Identification Station located in the OK Ford Dealers Barn. The owner and/or exhibitor must pick up the show packet (that includes exhibitor numbers) at the Show Office BEFORE being identified. The original PtHA Registration Papers (or legible color copy) must be presented with the Pinto and exhibitor numbers. A show staff member will inspect the Pinto and stamp the exhibitor numbers. If a Pinto is wearing a saddle, sheet, slinky, etc., it may be necessary for the handler to remove the items before the numbers are stamped. NO PINTO WILL BE ALLOWED TO ENTER THE SHOW RING WITHOUT A STAMPED EXHIBITOR NUMBER.

**SHOW RULES**

PADDOCK PROCEDURES

Exhibitors must check in with the paddock. The paddock will call exhibitors to enter the arena in their posted order of go. Only the exhibitors in the class that immediately follows the class in the arena will be allowed in the paddock area. If needed, a handler may be permitted in the paddock area for youth and amateur classes. Absolutely no sprays will be allowed in the paddock area.

Barn calls are a courtesy and will be made for each class. It is the exhibitor’s responsibility to report to their class on time.

Gate Rule

A one-minute gate rule will be enforced. After the final call for a class has been given, the gate will be closed in one minute, and no late participants will be accepted. Barn calls are made as a courtesy. It is the responsibility of the exhibitor to be aware of the progression of the show and be ready for their class when it enters the arena. No refunds for missed classes.

Class Conflict

In the event that a Pinto or exhibitor is entered in two classes in separate arenas that have a potential to be showing at the same time, the Paddock Master of each arena must be notified by filing a class conflict notification with each at least one class prior to the conflict. The Paddock Master will make an attempt to accommodate conflicts. Please keep the Paddock Master of each arena advised if your situation changes. Class Conflict Forms are available at all three Paddocks.

Split Classes/Preliminaries

Any class deemed necessary by the Show Staff will be split. For rail classes:

All recalls from the average card will be announced in random order by exhibitor number and will retire to the Paddock area until called for the final go.

For showmanship, horsemanship, equitation classes –

More than 25 entries – Splits will be made, exhibitors will perform the PRELIM pattern, each judge will place a percentage of the entries in each split. Recalls (from the average card) will be announced in random order by exhibitor number. Class finalists will return to the paddock for the finals class according to the schedule. They will be judged on the finals pattern for the World Championship.

For 25 Entries or less – Perform PRELIM Pattern only.

Finals classes are listed in the schedule for showmanship, horsemanship and equitation. Any other class requiring a finals performance will be held directly following the preliminary go. Not all classes will have a preliminary and final performance. Classes will be split according to the rules established by the Premium Book.

Rail Classes Timer

In all rail classes, a maximum time will be set for exhibitors to enter the arena. A timer will be visible to the Paddock area. When time has expired, the gate will be closed and no one will be allowed to enter the arena.

Tack Changes

All tack changes must be pre-scheduled with the Paddock Master on an official request form. Three minutes after the final class call will be allowed for all changes to be made in the Paddock Area.

Working Order

All individual work classes will have a working order. The order will be posted in the make-up area. Show management reserves the right to make changes as deemed necessary. If an exhibitor does not show up for their turn in the working order, it will be considered a missed class and they WILL NOT be moved in the order.

CLASS/HIGH POINT TABULATION RULES

Point Tabulation

ROM Points

One set of ROM points will be awarded for each judge’s placing. One set of ROM points will be awarded for the three-judge average in all eligible PtHA classes. ROM points will not be awarded if there are less than three entries in the class.

Class Placings

A four-judge system will be used at this show with the low card being dropped before the average card is tabulated. The averaging system used by PtHA is as follows: horses are given an advantage or “weighted” credit for receiving first place on any judge’s card.

Points will be awarded based on the following:

1st place — 0 points 6th place — 6 points
2nd place — 2 points 7th place — 7 points
3rd place — 3 points 8th place — 8 points
4th place — 4 points 9th place — 9 points
5th place — 5 points 10th place — 10 points

All Pintos not appearing on a judge’s card will receive 1 more point than the last Pinto placed in the class. Points from all three judges’ cards are totaled and the entry with the lowest score wins on the average card.

Tabulation Error

If a tabulation error is suspected, a written inquiry may be presented to the Show Steward within 24 hours after the completion of the affected class without using the protest procedure, EXCEPT AT THE END OF THE SHOW WHEN ALL INQUIRIES MUST BE GIVEN BEFORE THE AWARDS ARE PRESENTED. The PtHA reserves the right to correct such an error without recourse from entrants.

Class Tie Breaker

One judge is designated as the tiebreaker for each class. In the event of a tie, the entry appearing highest on the tiebreaker judge’s card is placed highest in the average. The judge designated as tiebreaker will be alternated from class to class.

High Point Rules

All classes in which a Pinto, Youth/Pinto or AM/Pinto is eligible will count toward High Point awards in their respective divisions. Versatilities, Supreme Color Champion and Charity Walk/Trot do not count for High Points. Halter does not count for Walk/Trot or Novice High Point, except for YA Walk/Trot 10 & Under. High Point awards will not be final until the last class in the division has been tabulated. Awards will only be released after the tabulation is final.

High Point Tabulation

High Point awards do not follow ROM standards. Therefore, it is possible to have the greatest number of ROM points in a division, and not be High Point for the show.

High Point awards will be tabulated using the average card according to the following scale.

High Point Ties

If there is a tie for 1st or 2nd place for High Point or Reserve High Point in a division, ties will be broken first on the Pinto, Youth/Pinto or Amateur/Pinto combination, earning the greatest number of first places (on the average judge card for each class entered). Then, second place through seventh place. If a tie still remains, the winner will be the entrant who entered in the greatest number of classes. If a tie still remains, then the tie will be broken in favor of the

**FACILITY RULES**

**Alcohol**

**Dogs and Pets**

As a courtesy to fellow exhibitors, pet owners are required to pick up and dispose of ALL animal waste, especially in the courtyard and esplanade areas.

**Fire Safety**

The use of electric, flame or space heaters and air conditioners is prohibited in the barn area. Use of extension cords in stall areas, requires Ground Fault Interrupter Protection (GFCI). These cords have a test and reset button on the cord, and most cords have the words “GFCI protected” printed on the cord. All 120-volt extension cords must be three-wire grounded, (have a three-prong plug on the end of the cord). Frayed or damaged cords may not be used. Fire Inspectors will check the premises for compliance.

**Golf Carts and Scooters**

Golf Carts and scooters are allowed on the show grounds, however, for the safety of fellow exhibitors no golf carts, scooters, bicycles or other personal motorized vehicles will be allowed inside the barns at any time (except for staff and handicap vehicles). Handicap vehicles may obtain special permission at the Horse Show Office. ANY person driving ANY motorized vehicle must possess a current drivers license.

**Grills**

Open flame, or other devices emitting flame, fire, heat or any flammable or combustible liquids, gas, charcoal or other cooking devices shall not be permitted inside stall barns or under the eaves of stall barns.

**Parking/Trailer Parking**

**Security**

Security of personal property (horses, tack, trailers, vehicles, etc.) is the responsibility of each individual. Expo Square maintains security patrols of the fairgrounds and barn area each day of the Pinto World Championship. However, PtHA and Expo Square will not be held responsible for personal property.

**Signs/Advertisements**
