## Austin Shrout

Austin and Sherman

Austin Shrout, from Clements, California, was awarded exhibitor today for day four of the Pinto World Championship.

Austin has been showing and riding horses for five years, with his favorite class being Halter. Austin exhibited the horse “Open Arrangement” today, but Austin likes to call him Sherman.

When asked about what he likes to do for fun, the answer was quick and confident. “Play Baseball!” he said.

His favorite memory over the past five years is competing against kids older than him and winning his Halter class. Austin said his goal for next year is to ride by himself.

Congratulations Austin!

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$200 Boot Barn gift card.
