Elizabeth Jo Schulz

Elizabeth and Phoebe

Elizabeth Schulz, from Albert Lea, Minnesota, was awarded exhibitor of the day for day eight of the Pinto World Championship.

This is Elizabeth's first year here at the Pinto World Championship, but she has been riding for about 5 years.

Elizabeth's pony "Royally Blue", has a barn name of Phoebe and loves to eat apples. She said her favorite class to show is Barrel Racing and wants to get better at riding and competing with her bigger horse in the coming year.

Outside of horse shows, Elizabeth likes to spend her time running cross country and hanging out with friends.

When asked who her biggest motivator was she said it would have to be her trainer, Jodie Distad.

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$200 Boot Barn gift card.
