Tonya Emmons

Tonya and Chevy

Tonya Emmons, from Weatherford, Texas, was awarded exhibitor of the day for day ten of the Pinto World Championship.

This is Tonya's first year here at the Pinto World Championship, but she has been riding for as long as she can remember.

Tonya's horse, "Take Me Fancy" has a barn name of Chevy and loves to eat Alfalfa. She said her favorite class to show is Hunter Under Saddle and wants to get Chevy to a higher level in the coming year.

Outside of horse shows, Tonya likes to garden and take care of her chickens.

When asked who her biggest motivator was she said it would have to be her close friend, Amy Novacek.

Her favorite memory so far was when a close friend called her and encouraged her to come to the world show and compete. She made the decision to load her horse up and took her straight into the class. She placed third in the class and this will be a memory she never forgets.

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$200 Boot Barn gift card.
