Attire

All attendants must be neatly and suitably attired for a World Championship, long sleeves or a lab coat and appropriate footwear are required. Shorts, tank tops, sandals, etc., are not considered proper. Hats are optional, but ball caps are not permitted. The management may, at their discretion, bar any entry or person from entering the arena if deemed not suitable to appear before an audience.

Breaks

PTHA reserves the right to reschedule any published breaks as necessary. Additional breaks will be announced as deemed proper according to the progression of the show.

Class Placings

During the Pinto World Championship, the announcer will announce the placings under each judge, as well as the average placings in all classes. Average placings only will line up for awards. Ribbons for individual placings will be available for pick up in the Hospitality Room in the Oklahoma Ford Dealers Barn.

Results of classes are considered final upon receipt of the judge's cards, unless an error in tabulation has occurred. PTHA reserves the right to correct obvious errors on judges' cards when detected.

Commercial Exhibits/Vendors

If an individual wishes to sell, display, or advertise tack, clothing, jewelry, furniture or any miscellaneous merchandise, a signed vendor contract must be on file with PTHA. In addition, the merchandise must be sold in designated vendor areas only. No items may be displayed or sold out of the barns or parking lots. Anyone found in violation of this rule will be issued a written warning on the first offense. The second and all subsequent offenses will yield a \$500 fine each.

Disqualification

Abuse — Any Pinto that shows evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area will be considered to be abused and may be excused from the arena.

Dishonesty — Any exhibitor that has made or caused to be made any false statement in regard to any animal or article exhibited, or if any exhibitor shall attempt to interfere with the judges in the performance of their duties, he or she shall be excluded from exhibiting.

General — In all individual work classes, simple majority opinion of the judges shall prevail, such as off pattern and lameness.

Lameness — A Pinto will be excused from the arena if a simple majority of judges disqualify the entry due to lameness.

Loose Pinto — Any equine that becomes separated from its handler, rider or driver and cannot be caught by the original exhibitor or is beyond the exhibitors control may be disqualified and excused from the arena.

Drug Declaration

A Pinto that has received medication that contains a prohibited substance may be shown if all requirements listed in PTHA rule G16 are met and a drug declaration form has been completed and returned to the Show Office.

Drug Testing

See PTHA rule G16. Drug Testing at the Pinto World Championship will be at random. Cooperation is mandatory.

Electronic Devices

Any exhibitor using an electronic device in the show arena will be immediately disqualified. (Exception: Reasonable Accommodation certificate has been issued.)

Equipment Failure/Time Outs

Unless specific class rules apply, any tack/attire infraction is to be considered a penalty, not a disqualification and the judges may penalize at their discretion. See PTHA rule G10 for Time Out rules in English classes.

Exhibitor Back Numbers

It is the responsibility of the exhibitor to verify, prior to entry into the ring, the correctness of their exhibitor number. Any exhibitor not displaying a number or displaying a wrong number will not receive credit for placing in that class. All exhibitors must have all numbers stamped by a show staff member. (See also: ID Station) If laminating exhibitor numbers, the number must be ID stamped prior to lamination.

In-Hand and Saddle Seat Classes — Exhibitor numbers should be worn on the exhibitor's back, between the neck and the waist.

Hunt and Stock Seat Classes — One number must be on EACH side of the saddle pad/blanket.

Driving Classes — Number must be displayed on both sides of the vehicle shafts.

Lost Back Numbers

In the event of a lost back number, a fee of \$20 will be assessed for a replacement. The exhibitor will also be required to go back to the I.D. Station and have new back numbers stamped.

Equipment Judges

Equipment Judges shall be responsible for attire and equipment rule interpretations. Final interpretations are the responsibility of show management. All bits, tack, appointments and attire shall be checked by the equipment judge prior to entering the arena. Any equipment considered to be inhumane or illegal by the official equipment judge must be removed or entry into the arena will be denied. The equipment judge may disqualify an entry for the presence of blood on the horse. The equipment judge (s) may serve as an official alternate judge at the discretion of show management.

Exercise/Longeing

Exhibitors will receive a schedule of available practice times for some specific disciplines and age groups in their show packets. No longeing will be allowed in the arenas. Longeing areas will be designated and should be closely followed.

Health Requirements

No equine will be allowed on the show grounds without the following:

- 30 day Health Certificate * must be printed on paper
- Negative Coggins

Make sure the veterinarian uses PTHA registered names on the health certificate and Coggins papers. If current Health and negative Coggins are not available upon arrival at the show, the horse will be quarantined until released by the Show Veterinarian. All tests will be at the owner's expense.

Inhumane Treatment

No person shall treat any equine in an inhumane manner. This prohibition against inhumane treatment applies to PTHA members and non-members. Inhumane treatment shall include, but not be limited to, the prohibited conduct specified below. Inhumane treatment to horses other than Pintos and other animals used in competition is included in this prohibition as it indicates a general course of dealing with horses, which is unacceptable to PTHA.

1. For purposes of this rule, a person responsible for the care of an equine is

also responsible for and may be disciplined for the inhumane conduct of their trainers, agents, representatives and employees. For violation of this rule, an individual may be disciplined, suspended, fined, denied PTHA privileges, disqualified, expelled from show grounds and/or expelled from PTHA.

2. Inhumane treatment of any horse or any other animal on show grounds is strictly prohibited. Treatment of any horse will be considered inhumane if a person, educated or experienced in accepted equine training techniques, would perceive the conduct of an individual to be inhumane.
3. For purposes of this rule, a fines and penalty system has been established based on the severity of the offense. All offenses below will be assigned a minimum level of offense (level 1 = mild; level 2 = moderate; level 3 = severe). Depending on the facts of a situation, the level of offense may be increased.
4. Warning or Show Ground Removal cards will be issued based on the frequency and level of offense.
5. Inhumane treatment includes, but is not limited to:
 - a. placing an object in an equine's mouth so as to cause undue discomfort or distress (min. level 2);
 - b. leaving a bit in an equine's mouth for extended periods of time so as to cause undue discomfort or distress (min. level 1);
 - c. tying an equine up or around in a stall or anywhere at a PTHA event in the manner as to cause undue discomfort or distress (min. level 2);
 - d. longing or riding an equine in a manner as to cause undue discomfort or distress to the equine (min. level 1);
 - e. tying or fastening any foreign object onto an equine, halter, bridle and/or saddle in order to de-sensitize the horse (min. level 2);
 - f. use of training techniques or methods such as poling or striking an equine's legs with objects (min. level 2);
 - g. excessive spurring or whipping (min. level 1);
 - h. excessive jerking of reins (min. level 1);
 - i. excessive fencing (min. level 1);
 - j. excessive spinning (defined as no more than eight (8) consecutive turns in either direction) (min. level 1);
 - k. schooling over ramped oxers in reverse order (i.e., from highest to lowest instead of lowest to highest) (min. level 1);
 - l. schooling using rails higher than four (4) feet (min. level 1);
 - m. use of prohibited equipment, including, but not limited to: saw tooth bits; hock hobbles; tack collars; or tack hackamores; whips used for showmanship; war bridles or like devices; riding in a curb bit without a curb strap; wire or solid metal curb straps no matter how padded; wire cavesson; wire or cable tie-downs; bumper bits; metal bosals (no matter how padded); chambons; headstalls made of metal (no matter how wrapped or padded), twisted rawhide, or rope may not be used on a horse's head (3/8 inch rope may be used with a slip/gag bit); running martingales used with curb bits used without rein stops; draw reins attached between or around the front legs will not be allowed at PTHA-approved events (min. level 2);
 - n. use of any item or appliance that restricts movement or circulation of the equine's tail (min. level 3);
 - o. exhibiting an equine which appears to be sullen, dull, lethargic, emaciated, drawn or overly tired (min. level 1);
 - p. intentional or negligent treatment which results in any bleeding – intentional (min. level 3); negligent (min. level 1);
 - q. applying excessive pressure on or excessively jerking of a halter lead shank or an allowed lip chain (min. level 2);
 - r. Any other treatment or conduct deemed by a show official to be inhumane or abusive (min. level 1).

Judges

Four judges selected from and rotated within a panel of PTHA approved judges will judge all classes. In the event that a judge officially designated on the premium list is unable to perform their duties, or for any other reason deemed appropriate, the show committee reserves the right to substitute another PTHA judge or to change scheduled assignments.

Patterns

All patterns (excluding Dressage and Western Dressage) will be printed in a pattern book. One pattern book will be available to each back number per horse. Dressage tests may be obtained from the United States Equestrian Federation and the Western Dressage Association of America.

It is the exhibitor's responsibility to check the boards behind each arena before their class starts in case any changes and/or corrections to the pattern have occurred.

Pony and Miniature Measurements

All ponies & miniature horses, must be measured at the show by a designated PTHA staff member and must measure within their size classification.

Measurement officials will be located at the Identification Station. Owners must pick up show packets BEFORE taking a Pinto to be measured.

If a Pinto measures outside of its documented classification, it will be subject to reclassification and a revision of show entries and fees.

Positive Identification

All Pintos entered in the show must be positively identified at the Identification Station located in the OK Ford Dealers Barn. The owner and/or exhibitor must pick up the show packet (that includes exhibitor numbers) at the Show Office BEFORE being identified. The original PTHA Registration Papers (or a printed legible color copy) must be presented with the Pinto and exhibitor numbers. A show staff member will inspect the Pinto and stamp the exhibitor numbers. If a Pinto is wearing a saddle, sheet, slinky, etc., it may be necessary for the handler to remove the items before the numbers are stamped. NO PINTO WILL BE ALLOWED TO ENTER THE SHOW RING WITHOUT A STAMPED EXHIBITOR NUMBER.

Paid Practice Schedule

All Dressage, Western Dressage, Trail In Hand, Hunter In Hand, Jumping In Hand, Over Fences, Obstacle Driving, Trail and Ranch Trail classes will include a scheduled practice time in which all entrants will have the opportunity to school. No additional sign-up is required. All pintos participating in a scheduled practice must wear their back number during the practices. All entries in these classes are required to pay the Schooling/Equipment fee in addition to the class fee.

Protests

See PTHA Rule G14.

All protests must be given to the show office in writing and signed by the protester within 12 hours of the time of the cause of the protest and must be accompanied by \$250.

Results Posting

Results for each World Championship Class and High Point will be posted on the PTHA Web site. High Point and class results will be published in the online Pinto Horse magazine immediately following the show. After they are published in the magazine, the results are deemed final.

Secure Trailer Lot

After unloading trailers, please park the trailers in the secure trailer lot north of the Feed Store. You will receive a numbered sticker for your trailer that will match one for your truck. Both stickers must match before you will be allowed to leave with a trailer from the secure lot.

Paddock Procedures

Exhibitors must check in with the paddock. The paddock will call exhibitors to enter the arena in their posted order of go. Only the exhibitors in the class that immediately follows the class in the arena will be allowed in the paddock area. If needed, a handler may be permitted in the paddock area for youth and amateur classes. Absolutely no sprays will be allowed in the paddock area.

Barn calls are a courtesy and will be made for each class. It is the exhibitor's responsibility to report to their class on time.

Gate Rule

A one-minute gate rule will be enforced. After the final call for a class has been given, the gate will be closed in one minute, and no late participants will be accepted. Barn calls are made as a courtesy. It is the responsibility of the exhibitor to be aware of the progression of the show and be ready for their class when it enters the arena. No refunds for missed classes.

Class Conflict

In the event that a Pinto or exhibitor is entered in two classes in separate arenas that have a potential to be showing at the same time, the Paddock Master of each arena must be notified by filing a class conflict notification with each at least one class prior to the conflict. The Paddock Master will make an attempt to accommodate conflicts. Please keep the Paddock Master of each arena advised if your situation changes. Class Conflict Forms are available at all three Paddocks.

Split Classes/Preliminaries

Any class deemed necessary by the Show Staff will be split. For rail classes:

All recalls from the average card will be announced in random order by exhibitor number and will retire to the Paddock area until called for the final go.

For showmanship, horsemanship, equitation classes –

More than 25 entries – Splits will be made, exhibitors will perform the PRELIM pattern, each judge will place a percentage of the entries in each split. Recalls (from

the average card) will be announced in random order by exhibitor number. Class finalists will return to the paddock for the finals class according to the schedule. They will be judged on the finals pattern for the World Championship.

25 Entries or less – Perform PRELIM Pattern only.

Finals classes are listed in the schedule for showmanship, horsemanship and equitation. Any other class requiring a finals performance will be held directly following the preliminary go. Not all classes will have a preliminary and final performance. Classes will be split according to the rules established by the Premium Book.

Rail Classes Timer

In all rail classes, a maximum time will be set for exhibitors to enter the arena. A timer will be visible to the Paddock area. When time has expired, the gate will be closed and no one will be allowed to enter the arena.

Tack Changes

All tack changes must be pre-scheduled with the Paddock Master on an official request form. Three minutes after the final class call will be allowed for all changes to be made in the Paddock Area.

Working Order

All individual work classes will have a working order. The order will be posted in the make-up area. Show management reserves the right to make changes as deemed necessary. If an exhibitor does not show up for their turn in the working order, it will be considered a missed class and they WILL NOT be moved in the order.

CLASS/HIGH POINT TABULATION RULES

Point Tabulation

ROM Points

One set of ROM points will be awarded for each judge's placing. One set of ROM points will be awarded for the three-judge average in all eligible PthA classes. ROM points will not be awarded if there are less than three entries in the class.

Class Placings

A four-judge system will be used at this show with the low card being dropped before the average card is tabulated. The averaging system used by PthA is as follows: horses are given an advantage or "weighted" credit for receiving first place on any judge's card.

Points will be awarded based on the following:

1st place — 0 points	6th place — 6 points
2nd place — 2 points	7th place — 7 points
3rd place — 3 points	8th place — 8 points
4th place — 4 points	9th place — 9 points
5th place — 5 points	10th place — 10 points

All Pintos not appearing on a judge's card will receive 1 more point than the last Pinto placed in the class. Points from all three judges' cards are totaled and the entry with the lowest score wins on the average card.

Tabulation Error

If a tabulation error is suspected, a written inquiry may be presented to the Show Steward within 24 hours after the completion of the affected class without using the protest procedure, EXCEPT AT THE END OF THE SHOW WHEN ALL INQUIRIES MUST BE GIVEN BEFORE THE AWARDS ARE PRESENTED. The PthA reserves the right to correct such an error without recourse from entrants.

Class Tie Breaker

One judge is designated as the tiebreaker for each class. In the event of a tie, the entry appearing highest on the tiebreaker judge's card is placed highest in the average. The judge designated as tiebreaker will be alternated from class to class.

High Point Rules

All classes in which a Pinto, YA/Pinto or AM/Pinto is eligible will count toward High Point awards in their respective divisions. Supreme Color Champion and Charity Walk/Trot do not count for High Points. Halter does not count for Walk/Trot or Novice High Point, except for YA Walk/Trot 10 & Under. High Point awards will not be final until the last class in the division has been tabulated. Awards will only be released after the tabulation is final.

High Point Tabulation

High Point awards do not follow ROM standards. Therefore, it is possible to have the greatest number of ROM points in a division, and not be High Point for the show.

High Point awards will be tabulated using the average card according to the following scale.

	1st Place	2nd Place	3rd Place	4th Place	5th Place	6th Place
# of entries	6+	5	4	3	2	1
1st Place	6	5	4	3	2	1
2nd Place	5	4	3	2	1	
3rd Place	4	3	2	1		
4th Place	3	2	1			
5th Place	2	1				
6th Place	1					

High Point Ties

If there is a tie for 1st or 2nd place for High Point or Reserve High Point in a division, ties will be broken first on the Pinto, Youth/ Pinto or Amateur/Pinto combination, earning the greatest number of first places (on the average judge card for each class entered). Then, second place through seventh place. If a tie still remains, the winner will be the entrant who entered in the greatest number of classes. If a tie still remains, then the tie will be broken in favor of the entrant who has the lowest total score on all individual judge cards for all classes entered.

AWARDS

Please check all awards upon presentation before leaving the area. PTHA will not replace awards after they leave the presentation area.

Individual Judge Placings

Ribbons for individual judge placings will be available for pick up in the Hospitality Room in the Oklahoma Ford Dealers Barn (Barn B).

World Championship Titles

All classes offered at the 2024 Pinto World Championship are considered World Championship classes except specialty classes. First place winners on the average card are considered World Champions and second place winners on the average card are considered Reserve World Champions.

Duplicate Buckles

Duplicate buckles are available for purchase through Gist Silversmiths, located in the tradeshow on the North side of the Livestock Arena.

FACILITY RULES

Alcohol

It is unlawful for any person or organization to bring or have upon the premises any alcoholic beverages other than the alcoholic beverages that the licensed caterer of the show grounds is authorized to sell. Any packaged liquor brought onto the fairgrounds will be confiscated.

Dogs and Pets

Owners assume all liability for any pets brought to the show. All pets must be on leashes while on the grounds. No pets of any kind are allowed in the arena at any time. As a courtesy to fellow exhibitors, pet owners are required to pick up and dispose of ALL animal waste, especially in the courtyard and esplanade areas.

Fire Safety

The use of electric, flame or space heaters and air conditioners is prohibited in the barn area. Use of extension cords in stall areas, requires Ground Fault Interrupter Protection (GFCI). These cords have a test and reset button on the cord, and most cords have the words "GFCI protected" printed on the cord. All 120-volt extension cords must be three-wire grounded, (have a three-prong plug on the end of the cord). Frayed or damaged cords may not be used. Fire Inspectors will check the premises for compliance.

Golf Carts and Scooters

Golf Carts and scooters are allowed on the show grounds, however, for the safety of fellow exhibitors no golf carts, scooters, bicycles or other personal motorized vehicles will be allowed inside the barns at any time (except for staff and handicap vehicles). Handicap vehicles may obtain special permission at the Horse Show Office. ANY person driving ANY motorized vehicle must possess a current drivers license.

Grills

Open flame, or other devices emitting flame, fire, heat or any flammable or combustible liquids, gas, charcoal or other cooking devices shall not be permitted inside stall barns or under the eaves of stall barns

Parking/Trailer Parking

Due to move-in congestion, please limit unloading time as much as possible. Trailers must be parked in designated secured trailer parking after unloading, NOT IN FRONT OF BARNs. Handicap parking spaces are for Handicap Permit holders only.

Security

Security of personal property (horses, tack, trailers, vehicles, etc.) is the responsibility of each individual. Expo Square maintains security patrols of the fairgrounds and barn area each day of the Pinto World Championship. However, PTHA and Expo Square will not be held responsible for personal property.

Signs/Advertisements

Bulletin boards are provided for the posting of signs, advertisements and posters. Any sign posted on a painted surface is strictly prohibited by Expo Square. A fine will be assessed for any violations.

Science + Love. Helping Horses Thrive.

Our Purina PhD Nutritionists tackle problems using science. And our love of horses keeps us at it until we get it right. Even with our most established feeds, we keep innovating. Even when it takes years of research, we don't stop until it's right. We're dedicated to the scientific method, but it can't capture the feeling of seeing a horse reach their full potential. It takes science and love to help your horse live their best life.
