

## Dot Rider

### Dot and Rio

Dot Rider, from Corinth, Mississippi, was awarded exhibitor of the day for day twelve of the Pinto World Championship.

This is Dot's first year here at the Pinto World Championship, but she has been riding for 55 years.

Dot's horse, "GDR Royal Rio Gold" has a barn name of Rio and loves to eat carrots. She said her favorite category to show is English and wants to get Rio to a higher level in the coming year.

Outside of horse shows, Dot likes to jet ski and spend time outdoors.

When asked who her biggest motivators were she said her husband Terry and close friend Kim Holley.

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$200 Boot Barn gift card.
