## Brooklynn Burt

Brooklynn Burt, from Oakdale, Minnesota, is the Exhibitor of the Day. This is her fourth year showing horses and her third year at the Pinto World Championship Show with Wasson Performance Horses. When asked her favorite class to compete in, Brooklyn mentioned her love for Leadline Trail. Today you can catch her showing Martin, more formally named Awesome in Black, in the Leadline W/T 8 and under Western Showmanship class. This will be Martin's second show to ever compete in and his favorite treat by a landslide are Mac Muffins. Aside from showing horses, Brooklynn enjoys participating in gymnastics. When asked her favorite thing about horses, Brooklynn said "Riding Them!"

Congratulations Brooklynn!

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$200 Boot Barn gift card.
