Winter Miller

Winter Miller, from Austin, Minnesota, is today's Boot Barn Exhibitor of the Day at the Pinto World Championship. Representing Monica Anderson Performance Horses, Winter showcases her horse, Maggie, whom she has owned for two years. Despite her long history with riding, spanning 12 years, this marks her third appearance at the Pinto World Championship.

Winter's favorite class is Showmanship, while Maggie's is the Hunter Under Saddle. Motivated by her trainer, Winter aspires to continually improve her riding and showing skills.

For newcomers, Winter advises that riding and showing horses is fun but requires patience and dedication. Beyond the ring, Maggie enjoys alfalfa hay and indulges in fruit snacks, jelly beans, and almost any candy.

Winter's most cherished memory in the show ring is winning with her horse, Benson, in the Youth Junior Ideal Pinto Western class at a previous Pinto World Championship.
