Katherine Spratt

Katherine Spratt from Homosassa, Florida, is our third Boot Barn Exhibitor of the Day. She has been riding for 29 years, but this is only her second time competing at the Pinto World Championship. When she's not showing she likes to hunt, fish and hang out at her house.

Katherine competes on Rockin The Impulse, also known as Vegas. Her favorite class to show with Vegas is trail; while her personal favorite class is showmanship. Katherine hopes to improve her connection and overall communication with Vegas as they continue their career together.

When asked about a memory from the previous Pinto World Championship, Spratt said, "My favorite memory showing was winning equitation last year after Vegas sustained a major medical setback 10 days before the show."

Katherine says her biggest motivator is her trainer, Kayla Short, while her mother is her biggest supporter because she always challenges her to keep improving.

Congratulations, Katherine!

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$200 Boot Barn gift card
