## Chad Christensen

Chad Christensen, today's Boot Barn exhibitor of the day, is from Pilot Point, Texas. With 40 years of riding experience, Chad has been a familiar face at the Pinto World Championship Show for the past decade.

Chad's horse, Bella, has been his trusty companion for four years. Bella, known for her love of peppermints, shares Chad's passion for competing in trail classes. Chad's advice to anyone interested in riding or starting to show is simple, "Just practice a lot."

Chad finds motivation from his brother Shane and his daughter Cara. Beyond the show ring, Chad cherishes spending time with Cara. One of his most treasured memories is watching Cara win her first horse show, a moment that stands out among many.

Chad credits his father for inspiring him to start riding at a young age, a passion that has only grown over the years. For Chad, the Pinto World Championship Show is more than just a competition; it's a celebration of family, tradition, and the bond between a rider and their horse.

Congratulations and Happy Father's Day!

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook Page. Each winner receives a \$200 Boot Barn gift card.
