## Howard Peet

Howard Peet from Wonderlake, Illinois is the Exhibitor of the Day. This is his second year showing at the Pinto World Championship with his wife, Erica, and Peet Equestrian Team, but he has been showing and riding horses for over 30 years.

When asked his favorite class to compete in, Howard mentioned his love for Disciplined Rail Driving. Today you can catch him showing Chief, more formally named Kozomos Kicking Bird, in the Open Halter PL/SD classes. Chief is owned by Whisper Way Farms, with his favorite treat being apples.

Aside from showing horses, Howard enjoys painting. When questioned about his fondest memory from the Pinto World Championship, Howard expressed, "It is just a great event to come to, we love how everyone helps each other. I love coming here and I wish we had come to this show sooner."

Congratulations Howard!

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$200 Boot Barn gift card.
