

JUNE 20, 2024

Jay Nelson

Jay Nelson from Spencer, Iowa is the Exhibitor of the Day. This is his 4th year showing horses and his 3rd year at the Pinto World Championship Show with Woodford Performance Horses. When asked his favorite class to compete in, Jay quickly expressed his love for the Miniature Driving Barrels. Today you can catch him showing Bo, more formally named One Shining Moment in the Youth Obstacle Driving and Pleasure Driving Miniature classes. When Bo is not in the show ring you can find him anywhere there are treats available. “He likes any kind of food he can get a hold of. We like to joke that Bo is a Roomba,” said Jay’s Father Josh. Aside from showing horses, Jay enjoys participating in archery and going fishing when he can. When asked his favorite thing about the Pinto World Championship Show, Jay said “Showing Horses!”

Congratulations Jay!

Each day at the Pinto World Show an exhibitor will be selected to be featured on the official PtHA Facebook page. Each winner receives a \$200 Boot Barn gift card.
